Safety Solutions

**PROTECTING
PEOPLE
EVERYDAY**

Welcome to Contego Safety Solutions

At Contego Safety Solutions you will find the very best PPE (Personal Protective Equipment), protective clothing, workwear, corporate clothing, footwear and a full range of health & safety equipment and accessories to meet all your needs.

As a Contego customer you will be working with a supply partner that takes the time to listen to and understand your requirements, that will then use their professional expertise and in-depth product knowledge to identify the products that are best-suited to your needs, your workforce and your budget.

With our online ordering, bespoke uniform design and manufacture, in-house garment logo printing and embroidery, together with man-pack services, you will have all the tools you need to fulfil your health and safety requirements efficiently and effectively.

Our Online Management Portal provides you with complete visibility for both Health and Safety and Financial recording and auditing purposes.

Contego Safety Solutions

PROTECTING PEOPLE EVERYDAY

About us

Contego is a leading national stockist, supplier and distributor of PPE, workwear, safety clothing and equipment.

With a consistent focus on quality, product development and customer service, Contego has an established reputation for meeting both the clothing and the health and safety needs of key industries, from Facilities Management and Contract Cleaning to Local Authority, Utilities and Construction.

Since starting out in 1995, Contego has expanded its range over the years to meet their varied needs:

- *Personal Protective Equipment*
- *Protective clothing*
- *Workwear and corporate uniforms*
- *Site safety equipment*
- *Hygiene solutions*
- *Footwear*
- *Gloves and other essentials*

Our accreditations mean you can rely on our knowledgeable experts to provide you with not only industry compliant products but the right products for your workforce and working environment.

Supply partners

We only work with suppliers and brands you can trust.

For high quality, bespoke safety clothing and footwear, we have developed our very own WEARMASTER® range which provides the very best workwear for a wide range of industries.

WEARMASTER®

WEARMASTER® brand story

Discover WEARMASTER® - our very own high quality brand of reliable and cost effective work wear, safety footwear and PPE.

Our team of safety workwear professionals work closely with customers to design and manufacture specific new products which are, as yet, unavailable on the market.

WEARMASTER® 

WEARMASTER® Quality workwear and PPE designed for you

The WEARMASTER® range of clothing and safety equipment aims to ensure the highest standards of comfort, safety and practicality, while maintaining the ultimate professional image.

It includes:

- *Lightweight and comfortable footwear styles*
- *Tailored uniform clothing that is commercially launderable*
- *High endurance, quality safety footwear and work clothing*
- *Fleeces, sweatshirts, protective footwear and gloves for working in all weathers*
- *Metatarsal protective footwear, fire retardant, high visibility clothing and height safety solutions*

Sectors

Airport Ground Services

“ *From the outset, Contego have supplied us with unrivalled customer service. Their easy to use online portal, means that ordering and reporting is simple and allows us to focus on our client demands.*

Tim Bicknell, Health and Safety Manager, Just Ask

Contego completely understood our initial brief and we are extremely pleased with the efficient, professional service we received.

Wyevale Garden Centre

Contego became our preferred supplier across a wide variety of product categories after working with us in support of our Airline Catering division.

Do & Co

Contego gave value for money, with service and products to support our staff through a contract that was worth in the region of £500,000.

Glendale Managed Services

Their products cover all departments, always with a view to increasing user acceptance and best value, whilst holding safety as paramount.

National Procurement Service (NPS)

Contego are honest, knowledgeable, helpful and always find a way around any problem, offering the best quality, lowest price and a service I can trust.

Dave Brown, Passenger Services and Baggage
Hall Manager, Aviator

”

Get up and running with a Contego account

ACCOUNT SET-UP

Your dedicated mobilisation team will set up your account promptly and efficiently. You will receive all the support you need so that your account is tailored to your purchasing requirements and for setting realistic goals and KPIs. Your team will be trained and supported on the “Online Management Portal”.

WEB PORTAL

Manage all your protective clothing, accessories and PPE needs in one central location. From one-click ordering, order tracking and order history to customisation, permissions reporting and copy invoicing – you will find it all here.

ACCOUNT MANAGEMENT

Your dedicated account manager will be your primary point of contact, someone who will thoroughly understand your account and whose role it is to ensure you receive our aim of “Perfect Customer Service”.

— **MAN PACK SERVICE** —

Life is easier with our Man Pack service. Remove the effort of distributing clothing and equipment to your workforce by having your order delivered in named boxes containing the items each individual employee requires.

— **IN-HOUSE EMBROIDERY** —

Our In-house embroidery and printing service means that you can rely on us for total control of your order. We have capacity to produce and quality check over 3,000 garments a day assuring you of a speedy and reliable service.

— **PRODUCT DEVELOPMENT** —

We thrive on customer feedback about products that are and aren't available. This assists us in our aim to source, design and develop products to completely suit our customers' exact needs and preferences. Tell us what you need and we'll work with you to provide the solution.

— **ORDERING** —

Ordering and re-ordering couldn't be simpler with our online shop <https://www.shop.contegosafety.co.uk/> you can also order by calling us on 0800 122 3323 or by email at sales@contegosafety.co.uk. All orders, regardless of how they have been placed, can be tracked via your Web Portal for tracing and auditing purpose.

— **DELIVERY** —

Next day delivery is available for orders placed before 2pm and we offer Free Delivery on web orders over £50. We work with industry-leading courier partners to ensure your orders reach you on time and in great condition. Delivery is trackable via our market leading Web Portal.

— **CUSTOMER SERVICE** —

Your satisfaction is our top priority. Your dedicated account manager will efficiently deal with any concerns and remedy any issues, should the need arise. If you need product advice, progress a delivery, get proof of delivery or just need to return goods, your account manager is available for your support. Our culture focuses on our ethos, "sales is all about perfect customer service", which drives the daily decisions we make.
